<b>Article no:</b>	<b>1088-50</b>
EAN:	4013456580855
Entry thread	5/8" – 18 UNF
Entry thread drill holder hexagonal shank	11 mm

The dust extraction system for cavity wall cutters effectively prevents the formation of dust when creating installation openings for installation boxes in drywalls or built-in luminaires in suspended ceilings.

- Reduction of dust pollution on the construction site
- Ideally suited for subsequent installation in existing buildings
- System solution matched to the KAISER cavity wall cutters
- For all electric drills with 13 mm chuck
